

## Why Better Life Partners

### Mission-aligned

We partner with mission-driven community organizations to deliver integrated care—supporting the individual to their long-term recovery, meeting them where they are with tools that can help

### Evidence-based

A proven program of medication-assisted treatment, supportive group counseling, care coordination, and whole-person care

### Member-centric

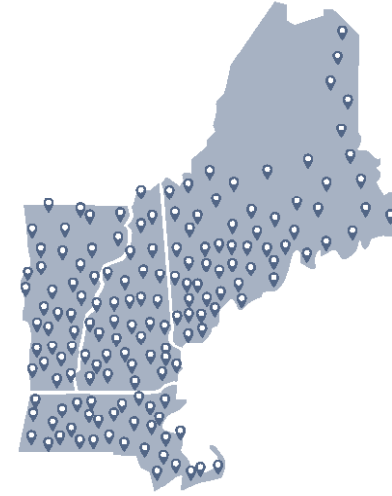

Wherever your clients are in their recovery journeys, we're here to help with access to easy, fast, judgment-free treatment

**Our mission is to help any underserved individual achieve a healthier life filled with belonging, love, and purpose**

## Serving members across New Hampshire, Vermont, Maine and Massachusetts

### Same-day treatment available in person and online

Medicaid, Medicare, and most insurance accepted, sliding fee scale. No insurance? No matter your coverage, we'll help you access the care you deserve.

## Let's collaborate
